

## WHY "PRECIOUS AS TIME"?

- Working to build lifetime clients.
- Our Partnership is an ongoing process promoting mutual benefits regardless of engagement.
- We optimise assets otherwise under utilized.
- We prepare Dentists to serve a larger client base, while providing all technical support services and products.
- We work with larger service providers to maintain volume profitability.

## WHY AFTERBURNER DENTAL TECHNOLOGIES?

- Reduce clients treatment periods.
- Reduce treatment costs.
- Clear treatment period deliverables.
- Reduced treatment period, for procedures and acquisition of milled materials.
- Unprecedented financial control when defining treatment periods.
- Flexibility of increasing workloads and exceeding market demands.
- 24 x 7 transitional support from Afterburner Dental Technologies

## REDUCING TREATMENT TIME

- Unprecedented "Variable Pricing vs. Treatment Period Control when streamlining patients.
- Dentist will always receive in a selected time and approve CAD before production.
- Dentist will reduce laboratory cost when forward planning preparation and delivery dates.
- Reduce cost, reduce treatment time means improved cash flow for dental clinics.
